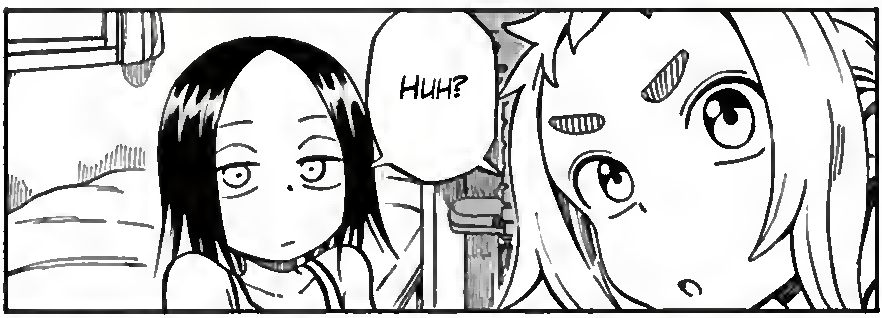
NOW LET'S GET STARTED ON THIS HOMEWORK!
BESIDES, IT'S NOT LIKE WE CAN CONTROL THE WEATHER. THERE'S NOTHING WE CAN DO.
PLEASE DON'T CRY...
WE WERE SUPPOSED TO GO TO THE POOL TODAY. HOW ARE WE GOING TO GET THIS LOST TIME BACK?



HUH?

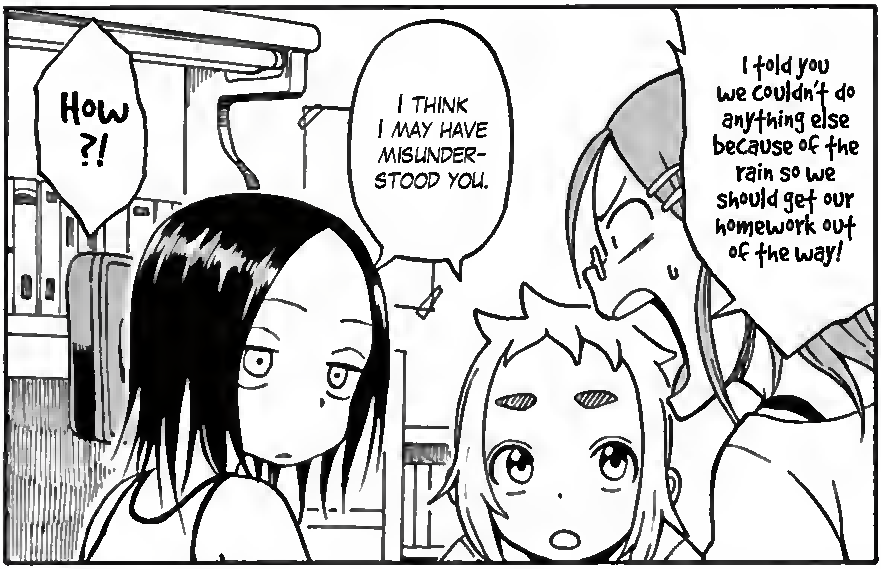
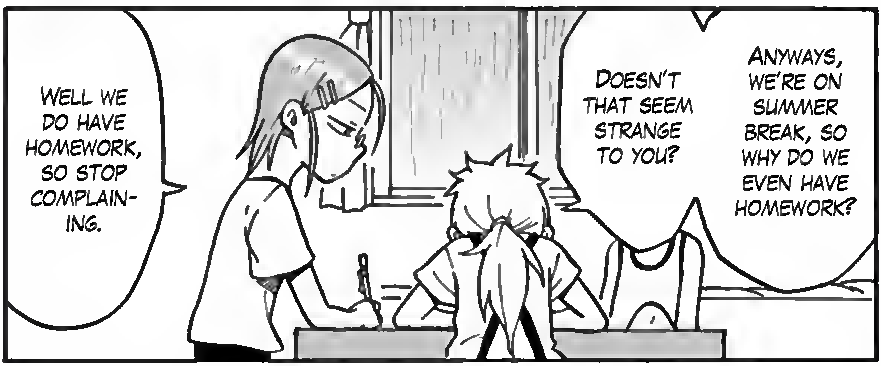
DID YOU TWO NOT ACTUALLY BRING YOUR HOMEWORK?
DON'T TELL ME...



How ?!
I THINK I MAY HAVE MISUNDER-STOOD YOU.
I told you we couldn't do anything else because of the rain so we should get our homework out of the way!



WELL WE DO HAVE HOMEWORK, SO STOP COMPLAIN-ING.
DOESN'T THAT SEEM STRANGE TO YOU?
ANYWAYS, WE'RE ON SUMMER BREAK, SO WHY DO WE EVEN HAVE HOMEWORK?

So what ?!
Remember the crap out of it!
If I see you doing your homework then I'll remember that I have to do mine! I can't have fun like that!
You should stop doing your homework too and start slacking off with us!

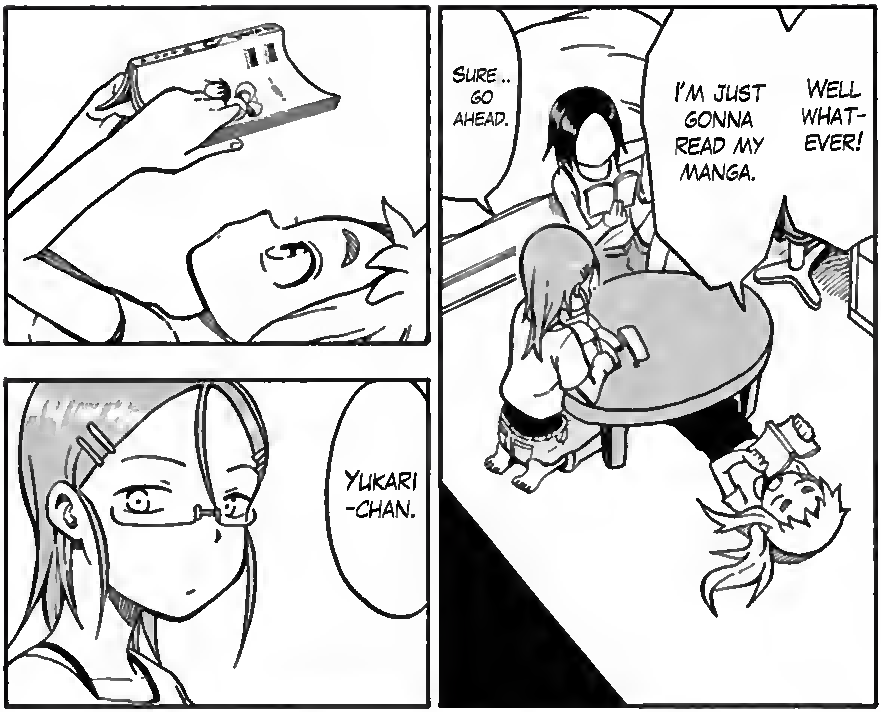
You're exactly the type who'll end up crying on 31st August because you still haven't done it.
It's only the first day of break. Do we have to do homework now?

Haa ...



SURE.. GO AHEAD.
I'M JUST GONNA READ MY MANGA.
WELL WHATEVER!
YUKARI -CHAN.

JUST GO HOME.
AM I ALLOWED TO WRITE MY BOOK REPORT ABOUT MANGA I'VE READ?
